

# April 2025

## Psalm 95: 1-7

*He's Got the Whole World in His Hands*

Week 1

*"He's got the whole world in His hands..."*

Throughout your week, take notice of the way the hands around you care for and take care of others. Take a moment to pray prayers of blessing for each person.

Week 2

*"He's got you and me, sister, in His hands..."*

It can be powerful to remind each other of God's care for us at times we may struggle to feel His hands. Who in your life might need a reminder in these days? Send a note, call or visit.

Week 3

*"He's got the wind and the rain, in His hands..."*

As April showers and storms are upon us, how might you use this song as a meditation as the storms roll in? When you notice the weather changing, out the window or in life, sing with gusto.

Week 4

*"He's got everybody here, in his hands..."*

As you encounter busy, people-filled places this week, remind yourself that each person is indeed in the hands of God. Make eye contact and smile at those you encounter as a blessing.
