Hebrews 10:23

Mungu wa Agano (God of the Covenant)

Week 1

"You are the God of the covenant who fulfills the covenant forever. When you say it is, there is no one to stop you."

The stories of God's goodness fill the pages of scripture. Stories of God's goodness also fill the lives of our communities. Whose stories of God's faithfulness might you ask about and listen to this week?

Week 2

"It is a blessed kindness...You created me in your image."

Every individual you engage with today is made in the image of our Creator. How might you slow down to listen to what God is doing in their lives?

Week 3

"Father Abraham your servant did not grow weary...waiting for your promise."

Journal today about times you have been waiting and listening to God. How did those seasons impact your faith and how you listen to God?

Week 4

"He is Alpha and Omega. He is the beginning and the end."

How does considering the eternal nature of a God who loves us deeply and wants to be in relationship with us impact the way we listen?
