Psalm 119:105  
*Thy Word*

Week 1

*"Thy word is a lamp unto my feet and a light unto my path."*

As the days grow shorter, venture out into the dark for an evening walk. Meditate on this verse.

Week 2

*"I will not forget Your love for me..."*

Have a conversation with someone this week about how God has moved in your life. Ask your companion to share their own remembrances of God's goodness in their life.

Week 3

*"Jesus be my guide & hold me to your side I will love you to the end."*

Pray Luther's evening & morning prayer. Contemplate God's comfort and guidance at your rising and at your rest.

Week 4

*"Nothing will I fear, as long as you are near, please be near me to the end."*

Take pictures throughout this week of places you recognize God's nearness. Share those photos and tell the stories.

## St. John, Cardington Worship Ensemble

*Thy Word* has become a beloved worship song at St. John, Cardington. The congregation often sings the song as a Gospel acclamation, and commends it to worship teams to try out during the upcoming observation of Reformation, where we focus on Jesus as the Word. *Thy Word* is a song beloved by folks of all ages and is very easy to learn. This makes it a great song to teach and sing with folks who may not be familiar with liturgical worship. As Lutherans, this song reminds us that the Word is Jesus. The T and the W are always capitalized in the lyrics, as *Thy Word* refers to the person of Jesus.
