What do Goats Have to do With Jesus?

***Well this project isn't really just about goats,
This project is all about LOVE!***

This year we're focusing on the Way of Love, which teaches us how to live like Jesus by caring for others, being generous, and sharing God's love in new ways.

In 1 John 4:19 we are reminded that
"We love because He first loved us."

Jesus loves us, cares for us, and walks with us every day. And because we are loved so deeply, we can share that love with everyone, including our friends all the way over in Tanzania. Our friends in Kashasha are working hard to care for their families and strengthen their community. One female goat costs about \$250, and the gift of just 1 goat can bless an entire village for years to come.

Whether you are hosting a youth event, or looking for a fun family or parish project, this opportunity to learn more about our Tanzanian companions and share the love of Jesus is for you—no kid-ing!
