

Meet Pastor John

Pastor of Our Savior's Lutheran, Kenton & Living with Grief Ministry

“Living with Grief is a unique ministry that began at a local shelter for people experiencing homelessness. We received support from a synod microgrant to gather folks together for fellowship. Members come from the shelter, and from surrounding communities. Meetings include topical discussions and support. The group has bonded very quickly.

*The song *What a Friend We Have in Jesus* (ELW 741) has provided hope for the members of our group during difficult times. We feel that this hymn could be used before the Prayers of the Church during worship.”*

Listen to Pastor John's daughter Laura sing this hymn with beautiful artwork by Vickie, a leader at Our Savior's.
